<sup>1</sup> **'Water Audit'** means a statement by a competent person or body (acceptable to the Council) and submitted to the Council in respect of an existing non-domestic premises to which a Water Conservation Policy Statement applies. The Council can request this statement annually at the customer's expense. Such statement shall set out details of all water using equipment installed in the premises, the number of staff employed in the premises and an estimate of daily water requirement for the following 3 years. The audit shall identify any leaks or excessive use of water and identify how such leaks or excessive use is to be repaired/reduced.
