Please note the following conditions:

- All posters must be securely displayed so as not to cause litter.
- In the interest of safety, it is prohibited to erect posters on warning or regulatory traffic signs or traffic lights. The same safety issues apply to the obstruction of driver sightlines or driver distraction.
- The erection of posters is not permissible in any circumstances in the following locations for safety reasons –
 - Motorways or dual carriageways including pedestrian overpasses and bridges.
 - Land or railings at junctions, interchanges, roundabouts, slip roads etc.
- It is also prohibited to erect posters on the main street of any Fingal town.
- All cable ties or other ties must be removed when removing posters.

There is no exemption from possible fines for posters that remain after the nominated removal date or posters that are erected without taking due notice of the conditions outlined above.
