CHIEF EXECUTIVE'S REPORT

TO THE MAYOR AND MEMBERS FINGAL COUNTY COUNCIL

ANNUAL BUDGET - 2020

INTRODUCTION

The attached Draft Budget for the financial year 2020 has been prepared in the statutory format and in consultation with the Corporate Policy Group for consideration by the Elected Members. The process of compiling the budget involves a number of key stages which includes:

- Consultation with the Corporate Policy Group to consider budget strategy, local property tax rate, financial challenges and the budget detail at various stages of completion.
- Consultation with all political groupings early in the budget process to outline significant budgetary pressures and strategies in completion of the budget.
- The consideration by the Elected Members of the impact of a variation of the Local Property Tax rate.
- Detailed reviews of all aspects of the budget with Directors and Budget Holders.

The final stage in the budget process is consideration of the budget as presented, by the Elected Members, at the Annual Budget Meeting which is scheduled for the 26th November 2019.

RESERVED FUNCTIONS OF ELECTED MEMBERS

The Members have a number of reserved functions in relation to the budget process as follows:

Local Property Tax

The Members have the power to vary the Local Property Tax Rate (Local Adjustment Factor) by a factor of up to plus/minus 15%.

Adoption of Budget

The Members may adopt the Budget with or without amendment and must approve the sums provided for transfer to the Capital Account.

Determination of Rate

A separate motion in relation to the determination of the Annual Rate on Valuation (ARV) must be considered by the Members at the Budget Meeting.

Rates on Vacant Premises

In accordance with Section 31 of the Local Government Reform Act 2014 the Members have the power to determine the proportion of rates refunds applicable on vacant commercial premises.

CONSULTATION PROCESS – BUDGET 2020

As in previous years there has been significant consultation undertaken with members with regards to the formation of the budget for 2020.

The consultation process with the Corporate Policy Group is an integral and important element of the budgetary process and I am very much obliged for the constructive engagement from every Member of the group.

In addition to consultation with the Corporate Policy Group updates were facilitated to all Members early in the process to outline significant budgetary pressures and strategies with regards to completion of the budget.

LOCAL PROPERTY TAX VARIATION

The Elected Members resolved, at the Council meeting on 9th September 2019, to reduce the basic rate of the Local Property Tax by 10%. This maintains the same variation decision that was agreed for 2018 and 2019 and secured discretionary LPT income of €1.9m in compiling a balanced budget for 2020.

COMMERCIAL RATES

The periodic revaluation of rateable properties in Fingal was completed by the Valuation Office in 2019 with the new valuation list being effective from January 1st 2020. Following the appeals phase of the revaluation process just over 44% of the rateable valuation in Fingal is under appeal. This raises some financial challenges for the Council which are expanded on further in the financial analysis section of the budget book.

Under the terms of the rates limitation order and guidance from the DHPLG the ARV for 2020 has been set at 0.1796. This is significantly below the indicative ARV of 0.191 published in March 2019. Following on from the revaluation process an ARV of 0.1796 will result in c.77% of ratepayers in Fingal seeing a drop in their rates liability between 2019 and 2020. When seen in context of a period of a zero net commercial rates increases in the period 2010 to 2019 this demonstrates that Fingal remains an extremely business friendly environment.

BUDGET OBJECTIVES 2020

The Draft Annual Budget for 2020 provides for an increased level of investment in the social, economic and cultural fabric of this County while managing and mitigating the financial challenges faced by the Local Authority. The overall aim of the budget is to maintain and build on the enhanced investment undertaken in previous budgets and it sets out to deliver on a number of core objectives:-

1. Continue our investment in the Housing and Community areas.
2. Maintain our enhanced level of investment to improve service delivery.
3. Develop the economic and community plan for Fingal that supports job creation, tourism and sustainable communities.

BUDGET HIGHLIGHTS

The 2020 budget has allowed for increases in a number of key areas across the Council.

Housing

The budget provides for increases in the funding of capital improvement works in the social housing stock as well as additional funding for traveller estate improvement works. The budget also includes increases in the housing adaptation grants.

Operations

The budget allows for increases across several areas within operations including road maintenance, public lighting, traffic management and street cleaning.

Community and Libraries

A capital provision of €2.0m has been provided in the budget towards the funding of the Swords Cultural Quarter. This underscores the Council's commitment to this key flagship project to deliver a County Library and Arts Facility in Swords. An additional €200k has been set aside in the budget to provide support for remedial works to community facilities not in the Council's ownership.

EETD

Increased funding has been provided for in the budget in relation to our heritage properties and expansion of events activities.

Climate Change

Additional funding of €520k has been included in the budget to provide for costs under the Climate Change Action Plan 2019-2024.

This increased expenditure provides for significant investment in the County and builds on the investment made in previous budgets. It is vital that as the County continues to grow that the services, infrastructure and facilities provided by the Council keep pace with this.

ACKNOWLEDGEMENTS

I would like to thank the Elected Members of the Council for their support and to record my appreciation to the Mayor, Cllr. Eoghan O'Brien and his predecessor Mayor, Cllr. Anthony Lavin for their commitment to the special responsibilities of the office and for their courtesy and co-operation, along with the Corporate Policy Group, in undertaking the business of the Council during 2019. I look forward to continuing to work in partnership with the Elected Members on the delivery of a high quality public service for the citizens of Fingal.

I would like to pay tribute to all the staff for their commitment and enthusiasm in the delivery of services to the people of Fingal. The preparation of the Budget is a difficult and demanding task co-ordinated by the Finance Department and involving all Departments throughout the Council. In this regard, I would like to thank all the staff involved in the preparation of the Budget.

CONCLUSION

The Budget has been prepared following detailed consideration of all spending requirements throughout the Council. Meeting the demands for increased levels of service and investment in the fastest growing County in the country remains a significant challenge. The Budget will however, support the Council in maintaining and improving on the services that we deliver to all of our key stakeholders.

I recommend the Budget for adoption.

FINANCIAL ANALYSIS

FINANCIAL ANALYSIS

PRESCRIBED BUDGETARY PERIOD

The Minister for Housing, Planning and Local Government, has determined the period 1st November 2019 to 30th November 2019 as the prescribed period for County Councils for the holding of the 2020 Budget Meeting. The statutory Budget Meeting will be held on 26th November 2019 and the Budget must be adopted within a period of 14 days commencing on that date. The final date for the adoption of the Budget is therefore the 9th December 2019.

OUTTURN 2019

The projections are that the revenue account for the year 2019 will be brought in on balance. In arriving at a balanced budget income buoyancy from NPPR, rates, planning fees and reduced payroll costs offset additional costs in the Fire Service, energy and other areas.

BUDGET OBJECTIVES

The Draft Annual Budget for 2020 provides for an increased level of investment in the social, economic and cultural fabric of this County while managing and mitigating the financial challenges faced by the Local Authority.

THE BUDGET

The Draft Budget for the year ending 31st December 2020 is set out in the prescribed format. The Budget provides for a total expenditure of €269.9m as outlined in this budget book.

This is funded through several income sources including housing rents, loan repayments, fees, charges, grants and recoupments. In addition the discretionary income from LPT is estimated at €7.5m. This includes €1.9m following the Members decision to vary LPT to -10% at the September meeting.

As the Commercial Property Revaluation was completed in 2019 the ARV for 2020 is calculated per the Rates Limitation Order. This sets the ARV for 2020 at 0.1796.

COMMERCIAL RATES

Commercial Property Revaluation

The revaluation of commercial properties within Fingal was completed in 2019 by the Valuation Office (VO) to be effective from January 1st 2020. The final valuation list was published by the VO in September followed by a 28 day period in which ratepayers could lodge an appeal to the Valuation Tribunal. Following this process the indication from the Valuation Tribunal is that just over 44% of the rateable valuation in Fingal is under appeal. This level of appeals raises a significant financial risk for the Council for 2020 and subsequent years. Given the size and scale of these appeals prudence would dictate that Fingal County Council should be providing in the region of €25m annually to deal with the financial consequences of possible losses arising out of the appeals process.

In order to mitigate this significant financial risk, the budget incorporates a substantial reserve in 2020 to provide for possible financial losses in the future from successful

appeals by ratepayers. This reserve is funded by a combination of the Council's own resources and a mechanism in the Rates Limitation Order which allows for an amount to mitigate against future rates income losses.

The total provision in the 2020 budget is €22.4m with an additional provision being made in the 2019 outturn of €5.5m. These provisions give a solid foundation to mitigate this risk but it's important to note that valuation appeals by their nature can take a number of years to be resolved and apply retrospectively to 1st January 2020. On this basis substantial annual provisions will likely have to be made in 2021 and subsequent years until the appeals process is completed.

The ARV for 2020 has been set at 0.1796 which is substantially below the indicative ARV of 0.191 which was published in March 2019. This level of ARV will result in c. 77% (4,738) of ratepayers in the County receiving a commercial rate decrease in 2020 vs 2019. Of these 3,679 will have a decrease in excess of 10%.

Rates on Vacant Properties

In considering the 2019 Budget, the Members resolved to apply a vacancy refund rate of 50%. The legislation requires that the Members consider the matter each year and at the budget meeting they passed a motion to reduce the refund rate to 40% for 2020.

IRISH WATER

The Council continues to work with Irish Water in providing water services in accordance with the Service Level Agreement (SLA) and the agreed Annual Service Plan. The meetings to agree budgets and annual service plans with Irish Water will not be concluded until after our budget process is finalised. The majority of expenditure in Water Services is now procured on Irish Water's financial management system and is not reflected in the costs of the Council. The main costs which are reflected in Division C relate to payroll, water pricing loan repayments, insurance costs and some energy costs.

The Irish Water infrastructure was revalued during 2019 for rates purposes as a global revaluation effective from 2020. This means that Fingal County Council will no longer be in receipt of grant funding of €5.4m annually from the Department of Housing, Planning and Local Government which had been paid as compensation for lost income following the de-rating of Irish Water a number of years ago. The move from the grant funded compensation to levying rates will result in €3.2m in lost income annually. This has been partially mitigated by rates buoyancy in other areas.

AIRCRAFT NOISE COMPETENT AUTHORITY

Fingal County Council has been designated as the Aircraft Noise Competent Authority by the Aircraft Noise (Dublin Airport) Regulation Act 2019. The Act provides for an Airport Levy in respect of the costs incurred by the competent authority, the airport authority is liable for payment of the levy.

PAYROLL

The payroll budget continues to provide for all positions within the Council whether filled or vacant. The labour market continues to be tight especially in relation to technical and professional roles which results in difficulty filling roles and a time lag to fill open positions. This has been reflected in the payroll budget for 2020.

LOCAL PROPERTY TAX ALLOCATION

Circular Fin 08/2019 dated 10th October 2019 advised the Council of the revised provisional Local Property Tax Allocation of €26.8m following the decision of the Elected Members to reduce the basic rate of LPT by 10%. The continued -10% variation has allowed the Council to maintain investment in libraries, operations, housing and events. It also allows us to provide for a capital grants fund to support community centres not in the ownership of the Council.

An analysis of the Local Property Tax Allocation is as follows:

FIRE SERVICE

By agreement, the Fire Service for the four Dublin Local Authorities is provided by Dublin City Council. The net cost of the service is shared between the Authorities, taking into account the population of Fingal as a percentage of four Dublin Authorities, the number of households in each administrative area and the historical rateable valuation. Fingal's share of the cost of the service in 2020 is estimated at €21.7m and reflects an increase of €1.08m on the 2019 budget, an issue which continues to be a cause of concern. The apportionment of the Fire Services costs between the four Dublin Authorities is as follows:

Local Authority	Budget 2019		Revised 2019		Budget 2020	
	Net Cost	Apportioned %	Net Cost	Apportioned %	Net Cost	Apportioned %

SERVICE SUPPORT COSTS

All divisions include an apportionment of general administration costs and overheads not directly chargeable to a specific division. The costs are set out in Appendix 1 and amount to €45.5m for 2020. These costs are grouped as 'service support costs' and include office accommodation expenses, salaries not directly chargeable to a particular division, pensions, retirement gratuities, computer services, legal expenses, postage, telephone, printing, stationery and advertising. These overheads have been allocated to Divisions and Services on the basis of national cost drivers.

An analysis of the expenditure in each area is set out on the next page:-

Pension & Lump Sum Overhead	15,389,500	Costs based on % of salary costs in Divisions A to H.
All Pensions and Gratuities together with Salary costs for staff in Human Resources Department who administer payroll for pensioners.		

CAPITAL PROGRAMME 2020–2022

The Capital Programme 2020–2022 was noted by the Members at the Council Meeting on the 14th October 2019. It identifies 236 individual projects with an estimated spend of €619.6m over the 3 years. The programme has a number of projects some of which are dependent on funding from our Revenue Budget (by means of capital transfers). Provision has been made for such funding in a realistic manner while also endeavouring to ensure that capital expenditure and commitments are also properly resourced.

HOUSING & BUILDING

The Housing Department provides social housing support for those unable to provide accommodation for themselves from their own resources and provides services to Council tenants, to those with a housing need and to private householders.

The Department implements the Rebuilding Ireland Action Plan for Housing and Homelessness across the five key pillars of the Action Plan and the revenue budget supports the provision of services under these five pillars;

- Pillar 1 – Address Homelessness
- Pillar 2 – Accelerate Social Housing
- Pillar 3 – Build More Homes
- Pillar 4 – Improve the Rental Sector
- Pillar 5 – Utilise Existing Housing

MANAGEMENT AND MAINTENANCE OF LOCAL AUTHORITY HOMES

The Council's social housing stock is increasing annually due to additional properties provided under the *Rebuilding Ireland* delivery pipeline. In addition to own build, these include Long Term Lease (LTL), one-off acquisitions and Part V delivery in private estates. Accordingly, the management, maintenance and the availability of a responsive estate management service will be critical to ensuring the building of sustainable communities.

Fingal County Council will manage and maintain in excess of 5,600 homes (including 78 traveller group houses) in 2020 and we expect to deal with 12,000 maintenance requests. We will also provide an annual service for circa 5,000 home heating installations, including gas and oil boilers and renewable heating systems within new stock during 2020.

The repair and re-letting of unoccupied homes remains a priority item for 2020 and it is anticipated that on average, circa 99% of our Council homes will be occupied at any time during 2020.

A significant revenue provision for funding the Capital Works Programme to housing stock has been made in 2020.

The Council plans to carry out preventative maintenance work involving painting and some joinery works in up to 700 homes during 2020. The Window and Door Replacement Programme in respect of single glazed units in existing dwellings has concluded and a further programme will commence during 2020 for post 1996 dwellings where required.

A planned programme for the replacement of central heating systems and/or boilers in older stock will continue during 2020 in accordance with the Council's commitment under the Climate Action Plan. Works to ensure compliance with housing standards will continue.

ESTATE MANAGEMENT

We will continue to run Tenancy Induction Courses for all new Council tenants and to encourage all Council tenants to play an active role in the upkeep and appearance of their estates. The Council will also co-operate with other agencies in an effort to prevent, reduce and eliminate anti-social behaviour in our estates. Where possible we will consider estate improvement works to alleviate anti-social behaviour blackspots. This may include erecting railings, laneway closures, graffiti removal or tree planting. It is anticipated that circa €250,000 will be expended on these measures.

LOCAL PROPERTY TAX

Fingal County Council must pay the Local Property Tax on all social housing properties. All of the Council's properties are in Valuation Band 1 €0 - €100,000. Payment for the coming year is due on January 1, 2020, and will be paid in monthly instalments throughout the year. A figure of €385,000 has been provided for payment of the Property Tax for 2020.

HOMELESS SERVICES

Fingal County Council, working with the other Dublin Local Authorities and the Dublin Region Homeless Executive, will continue to implement current policy and will work towards implementing the homeless objectives set out in *Rebuilding Ireland*.

Significant progress was made during 2019, to assist families and individuals in Fingal, who are Homeless or at risk of Homelessness, to find a home. This work will continue in 2020. It is anticipated that in excess of 500 households will have their homeless circumstances alleviated during 2020 through various means of social housing support including the Dublin Region Homeless HAP Scheme.

Support Services will continue to be provided to homeless applicants when they take up a tenancy through various tenancy support services such as the Support to Live Independently (SLÍ) as operated by Dublin Simon, Focus Ireland Tenancy Sustainment, HAIL (Housing Association for Integrated Living) and Housing First. Outreach tenancies are also allocated to homeless and vulnerable applicants in partnership with Sophia Housing Association, Peter McVerry Trust, Anew and Novas.

The Homeless team continue to conduct the bi-annual Rough Sleepers Count under the direction of the Dublin Region Homeless Executive.

Weekly clinics conducted in partnership with Threshold will continue. Threshold works to protect and sustain tenancies by providing information to those at risk of losing their home in Dublin and also by working closely with the Department of Social Protection. A Threshold freefone number service (1800 454 454) is also available.

The Dublin Region Homeless Executive is a shared service operated by Dublin City Council as the lead statutory authority in the Dublin Region to co-ordinate the regional response to homelessness. Expenditure of €2.5m is budgeted for this service in 2020.

HOUSING ASSISTANCE PAYMENT

The implementation of the Housing Assistance Payment (HAP) is a key Government priority. Since the introduction of the scheme on 1st March 2017 a total of 2,834 tenancies including Homeless HAP have been put in place up to the end of September 2019. The HAP team will continue to assist applicants to put HAP tenancy arrangements in place during 2020.

ACCOMMODATION OF TRAVELLING PEOPLE

The 2018 Annual Count of Traveller Families confirmed that 509 Traveller families live in Fingal. The Traveller Accommodation Programme 2019-2023 was adopted by Council in 2019.

In addition to Capital funding a figure in the sum of €200,000 has been provided for Traveller Estate Improvement Works.

LEASING SCHEMES

The leasing of properties remains challenging as market factors evolve. However, the Long Term Lease (LTL), Repair & Lease (RLS) and Rental Accommodation Scheme (RAS) remain important sources of social housing in Fingal for the coming year. Currently the Council leases 815 properties under these schemes.

APPROVED HOUSING BODIES

Approved Housing Bodies (AHBs) continue to play an important role in the delivery of social housing and the Council continues to work in partnership with them on increasing delivery through the Capital Advance Leasing Facility, Mortgage to Rent and Capital Assistance Scheme.

The construction and leasing of new homes, using private finance and Payment and Availability Agreements, will be integral to increasing social housing supply for AHB's. An increase of €9m has been provided for 2020, of which €7m is to facilitate the delivery of over 400 additional properties.

In addition, where appropriate, the Council will work collaboratively with AHB's to facilitate them to purchase or lease newly built private dwellings using Part V.

The Council continues to lease unsold affordable homes to AHBs as provided for in Circular AHS/1/2009. The DHPLG has established an internal working group to consider a long term strategy for unsold affordable properties.

DIFFERENTIAL RENTS

Under the Council's Differential Rent Scheme, rents for Council homes are calculated as a proportion (12%) of assessable net income. The Council expects an income of €17.9m from local authority rented homes in 2020.

HOME LOANS

The Loans Section administers the house purchase loans and manages a total of 1,599 active loan accounts with a book value of €136m (end of September 2019). Loan interest income of €3.6m is anticipated in 2020.

The Rebuilding Ireland Home Loan was introduced on the 1st of February 2018 and has proved to be popular with a high level of interest nationwide. To date (end of September 2019), a total of 817 applications were received with 380 loans approved in this time frame and over 148 loans drawn down to date, to a value of €33m. Currently there are 80 approved applicants at 'sale agreed' stage.

The Loans Section also manages loan arrears in accordance with the Mortgage Arrears Resolution Process (MARP). Borrowers who are in financial difficulty can apply to have their monthly mortgage repayment rescheduled for a specified period. The percentage share of compliant loans (not in arrears) is at 82%.

Tenant (Incremental) Purchase Scheme 2016 is available to all suitably qualifying tenants of Council properties. To date (end of September 2019) 45 tenants have availed of this scheme.

HOUSING ADAPTATION GRANTS FOR OLDER PEOPLE AND PEOPLE WITH A DISABILITY

There are three Housing Adaptation Grant Schemes for Older People and People with a Disability living in a private dwelling. These came into effect in November 2007 and were amended by regulations in February 2014.

The Schemes are subject to means testing and grant levels vary based on income bands. A total of 243 applications for grants were approved to the end of September 2019. The sum of €3.38m has been provided for Housing Adaptation Grants in the 2020 Budget.

PRIVATE RENTED INSPECTIONS

The Council has a statutory function to carry out inspections of Private Rented Properties within its administrative area.

In February 2018, all local authorities were issued with targets for the Inspection of Private Rented Properties by the DHPLG in conjunction with its Strategy for the Private Rental Sector – a key component of Rebuilding Ireland. The aim is to increase the national average inspection rate from 6% to 25% of registered rental properties by 2021. The targets are based on the percentage of tenancies registered with the RTB, which within the Fingal County Council administrative area was 21,034 at end of 2018.

The annual targets are as follows:

2018 (10%)	2019 (15%)	2020 (20%)	2021 (25%)
2,072	3,155	4,207	5,259

A budget of €897,900 has been allocated for this purpose in 2020.

SERVICE SUPPORT COSTS

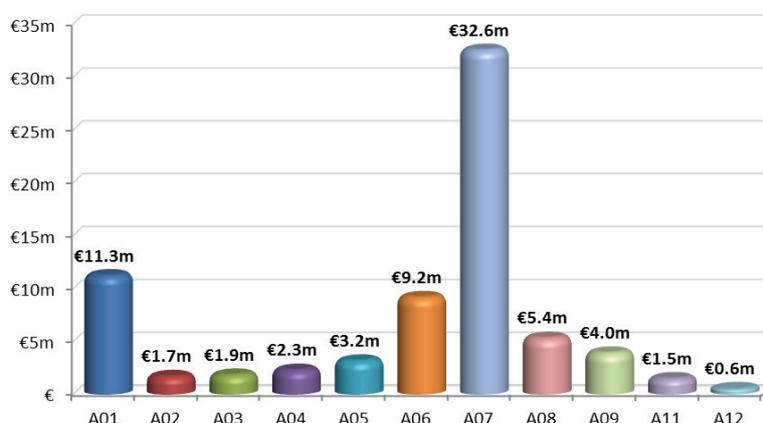

All divisions include an apportionment of general administration costs and overheads not directly chargeable to a specific division. These costs are grouped as 'service support costs' and include office accommodation expenses, salaries not directly chargeable to a particular division, pensions, retirement gratuities, computer services, legal expenses, postage, telephone, printing, stationery and advertising.

These overheads have been allocated to Divisions and Services on the basis of national cost drivers.

ROAD TRANSPORT & SAFETY

MAINTENANCE OF REGIONAL AND LOCAL ROADS

There is an on-going programme of general maintenance and improvement of the 1,275km of regional and local roads in the County. This includes repairs to potholes, footpaths, gully cleaning, maintaining and replacing road signs and nameplates, grass cutting, verge trimming and the renewal of road markings and delineators.

RESTORATION PROGRAMME FOR REGIONAL AND LOCAL ROADS

A budget sum of €3.9m is being provided for in 2020 from the Local Property Tax Allocation to fund a programme of road reconstruction works, surface restoration works and surface dressing.

TRAFFIC / ROAD SAFETY

The Road Safety Plan 2017-2020 sets out Fingal County Council's commitment to improving road safety throughout the County. This is implemented through measures such as education, engineering and evaluation. This includes the implementation of the speed limit review in 2020 across a number of locations in each electoral area.

School Wardens are employed at 98 school crossings. Road Safety training and education will continue in 2020.

PUBLIC LIGHTING

We expect to spend €4.64m maintaining over 32,000 public lights in Fingal in 2020 including energy provision for 2,400 lights and traffic route lighting on the M1, M2 and N3 national primary roads. Included in the above figure is €120,200 which will be spent on public lighting minor works.

A sum of €2.4m has been provided in the capital account to accelerate the Public Lighting Energy Efficient Replacement Programme.

CAR PARKING – PAY AND DISPLAY SCHEMES

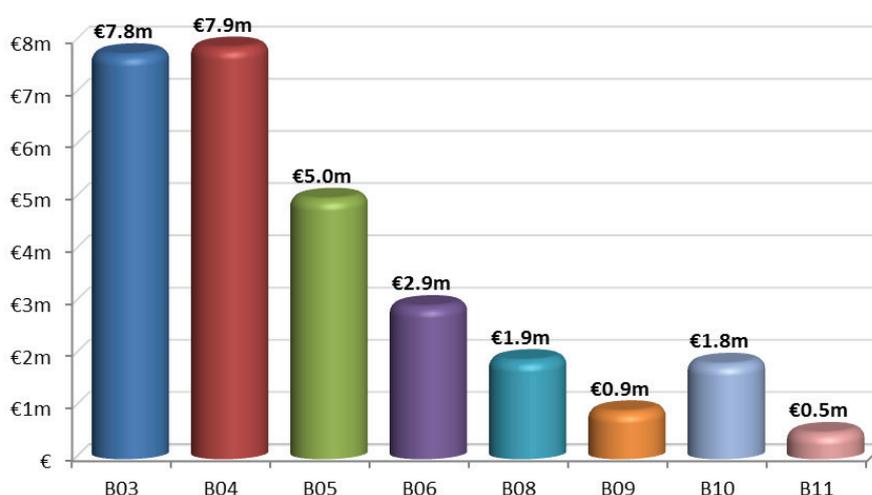

We expect a net income of €1.07m from Pay and Display schemes operated by the Council in 2020 when all the overheads have been taken into account.

The Operations Works Programme for 2020 is reflected in the figures above (roads, footpaths, traffic and public lighting). The specific expenditure programme will be brought back to each area committee for approval by the Council Members early in 2020.

Division C WATER SERVICES

IRISH WATER

Irish Water (IW) took over the responsibility for the operation of public water services, including water treatment and supply and the provision of waste water (foul sewer) services to homes and businesses from the 1st January 2014.

Local Authorities continue to provide water services on behalf of IW in accordance with a 12-year Service Level Agreement (SLA), agreed protocols and a detailed Annual Service Plan (ASP) which links operational activities to budgets.

BUDGET PROVISIONS

The formulation of an annual budget is an integral part of the Annual Service Plan negotiations between Fingal County Council and IW.

Under the SLA with IW, the Council will continue to meet Payroll costs and Central Management Charge costs. The Council recoups these costs from IW on a monthly basis.

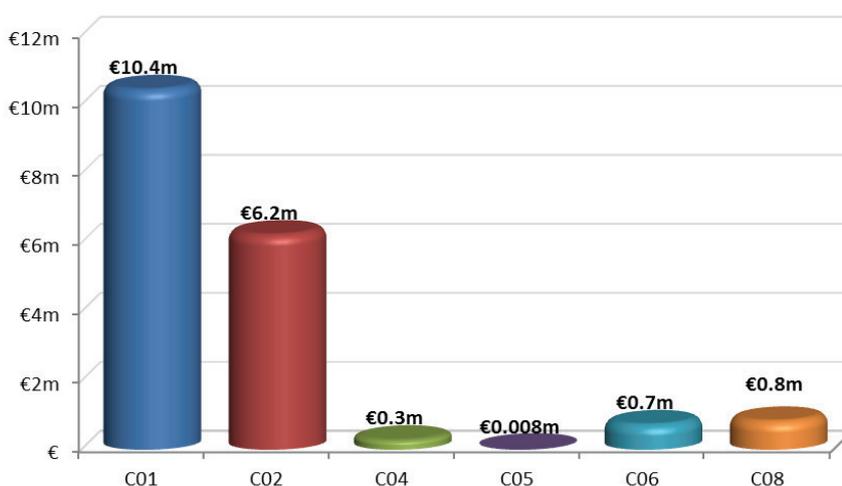

WATER SUPPLY & WASTE WATER SERVICES

The provision of water supply and waste water services in the Fingal area continues to operate on a “business as usual” basis. The cost of dealing with surface water remains the responsibility of the Council.

Division D DEVELOPMENT MANAGEMENT

STRATEGIC PLANNING

There is a continued strong level of submissions of planning applications and the number of applications based on current trends is estimated to approach 1,400 by year end. There are currently 4 Strategic Housing Developments under consideration (providing 887 units). Work is on-going and progressing nationally in relation to the introduction of the national online planning portal. Once implemented, the Planning & Strategic Infrastructure Department will have a new way of working with improved service delivery.

The Council's Development Contribution Scheme 2016-2020 was adopted on 14th December 2015 and is a County wide scheme. All levies applied and collected are accounted for and expended on a County wide basis on public infrastructure and facilities benefiting development in the entire County area. The Scheme came into effect on January 1, 2016, and will be due to expire on 31st December, 2020. The process of reviewing the Scheme, in conjunction with the other Local Authorities, has commenced.

FINGAL DEVELOPMENT PLAN 2017 – 2023

The Fingal Development Plan 2017-2023 was adopted on the 16th February, 2017. The Development Plan sets out the Council's proposed policies and objectives for development of the County over the Plan period. The Development Plan seeks to develop and improve, in a sustainable manner, the social, economic, environmental and cultural assets of the County.

FORWARD PLANNING

A significant number of Local Area Plans, Masterplans, Urban Framework Plans, Studies and other Projects have been identified in the Fingal County Development Plan 2017 – 2023. The projects range in scale from strategic LAP's to more localised studies and plans. Many of the projects have complex issues to be considered and will also require individual environmental assessments to be carried out including SEA, AA and SFRA. The projects have been prioritised in line with the following strategic priorities for the Council and cover the period 2017 – 2019 to coincide with the mid Development Plan review in 2020:

- To increase the supply of housing in the County
- To support growth in the Fingal economy, create jobs and support business
- To strengthen the proposition and marketing of tourism in the County

A number of projects were commenced in 2019 including:

- Donabate Urban Framework Plan
- Sustainable Swords
- Kellystown LAP
- Barnhill LAP

A number of projects commenced in 2018 remain ongoing, including:

- Dublin Airport LAP
- Lissenhall East LAP
- Castlelands Masterplan

The programme will be kept under review as priorities change. A budget is provided for the engagement of external expertise when required

LOCAL INFRASTRUCTURE HOUSING ACTIVATION FUND (LIHAF) & CONSTRUCTION 2020

The Action Plan for Housing and Homelessness, Rebuilding Ireland established a €200m Local Infrastructure Housing Activation Fund (LIHAF) for investment in infrastructure sufficient to enable early activation of suitably located and scaled housing sites. In October 2017 the Minister approved a total LIHAF funding of €26.58m for Fingal's three LIHAF projects; Donabate Distributor Road, Oldtown/Mooretown and Baldoyle/Stapolin. The LIHAF Projects will provide infrastructure including a distributor road; footpath, cycle track, junction and road upgrades; improved flood and surface water management; wetlands and park which upon delivery will facilitate new housing development.

Ballymastone, located in Donabate, has land available for residential development and the LIHAF-funded Donabate Distributor Road currently under construction and due for completion in December 2019 runs through the middle of this land. A mixed tenure housing development is proposed for this area to accommodate approximately 1,200 units. Works will also progress on the Recreational Hub at Ballymastone, this hub is a key component for the development and will provide 3 schools as well as sporting and recreational facilities.

The Rathbeale Road Upgrade scheme is currently being constructed which will provide a 1km upgraded road, footpaths and cycle tracks and flood management culverts linking Swords town centre and the established residential areas of western Swords to the significant new residential areas that are currently being developed in the Oldtown/Mooretown LAP area.

As part of the Baldoyle/Stapolin application, the Hole in the Wall junction upgrade scheme was advanced over the course of 2019 with Fingal County Council securing a compulsory purchase order for the required lands. The main works contract for the scheme has recently been tendered and the tender assessment is ongoing with a target contractor appointment date in 2019 and site commencement in 2020.

HERITAGE PLAN

In 2020 the Heritage Office will continue implementing the Heritage Plan (2018-2023) for Fingal and will actively participate in Fingal's Creative Ireland Programme. The Heritage Office will continue to promote community engagement through the implementation of the Fingal Community Archaeology Strategy (2019-2023) and innovative community archaeology projects like those undertaken at Drumanagh Promontory Fort and Swords Castle; the What Lies Beneath geophysical survey project and the Fingal Fieldnames Project. This work aims to ensure that we protect, manage and promote Fingal's rich archaeological, natural and cultural heritage. The Heritage Office will also continue to support Heritage Week and local heritage groups through the Fingal Heritage Network.

ECONOMIC DEVELOPMENT

The Economic, Enterprise and Tourism Development Department supports the co-ordinated economic development of Fingal by planning for, initiating and managing projects that contribute positively to the County's ongoing economic development. The Department is involved in the marketing and promotion of the Council's industrial parks and of Fingal as a business-friendly location. The Department also promotes initiatives that foster an enterprise culture in the County.

The Economic, Enterprise and Tourism Development Department provide policy support and analysis across the Council in business case development, economic impact analysis and benchmarking. This work informs Fingal County Council's decision making across a range of policy areas.

INVESTMENT ATTRACTION

The Dublin Enterprise Zone (DEZ), which includes Damastown, Ballycoolin and Cherryhound has developed at a national scale over the last 20 years, supported by significant public and private investment. The area currently contains 20 Business Parks with approximately 1,100 business premises. Over 19,500 jobs are supported in a mix of FDI and indigenous companies.

The Council is committed to continued investment in and management and promotion of the DEZ. The Economic, Enterprise and Tourism Development Department will continue to build upon the success of the DEZ. Funding has been provided in the budget for further initiatives to enhance the infrastructure in the area and to promote and market the zone as a prime location for business investment.

In addition, the Council will continue to attract investment across all locations in the County including in Stephenstown and the wider Balbriggan area as part of the Our Balbriggan 2019–2025 Rejuvenation Plan and which will benefit from substantial investment under the Council's Capital Programme.

LOCAL COMMUNITY DEVELOPMENT COMMITTEE

The Local Government Reform Act 2014 provides a more central role for Councils in economic and local community development, including the establishment of LCDC's. The Fingal Local Community Development Committee (LCDC) is responsible for co-ordinating, planning and overseeing local development initiatives including the

implementation of the Fingal Local Economic & Community Plan (LECP). It is the contracting authority for the Fingal Social Inclusion Community Activation Programme (SICAP) totalling €1.2m annually and arranges for the implementation of the oversight and delivery of Dublin Rural LEADER Programme €6.3m (2015-2020) through the Dublin Rural Local Action Group (LAG).

The Local Community Development Committee also administers the Community Enhancement Programme on behalf of the Department of Rural and Community Development and actions under the Healthy Ireland Programme in Fingal.

TOWN AND VILLAGE RENEWAL SCHEME

The Economic, Enterprise and Tourism Development Department administers the Town and Village renewal Scheme in Fingal on behalf of the Department of Rural and Community Development.

LOCAL ECONOMIC & COMMUNITY PLAN

The LECP was adopted by the Council in December 2015 and includes actions that Fingal County Council will deliver directly and actions led by or delivered in partnership with other local development stakeholders. The implementation of the plan is under continuous review and progress is ongoing. The LECP will be reviewed in 2020.

LOCAL ENTERPRISE OFFICE

Local Enterprise Office (LEO) Fingal is one of 31 LEO's nationwide. LEO Fingal is the 'First-Stop-Shop' for enterprise supports in the County. The LEO operates under a service level agreement which is in place between Fingal County Council and Enterprise Ireland, with a three year Local Enterprise Development Plan, reviewed annually. As well as the provision of an administration budget by EI, core funding is co-financed by the European Regional Development Fund, categorised into two measures:

Measure One activities (Selective Financial Intervention)

LEO Fingal currently provides a range of financial supports to qualifying small businesses which are based in the County. The primary aim of these supports is to stimulate growth and create employment in qualifying start-ups and established small businesses that can demonstrate international growth potential.

The types of funding that are available include Feasibility Study/Innovation Grant Assistance (max €20,000), Business Priming funding (start-up businesses, ordinarily up to €80,000) and Business Expansion Grant Assistance (for established businesses, ordinarily up to €80,000). In addition a small "Export" grant of max €2,500 is deployed to businesses seeking to internationalise ("Technical Assistance for MicroExporters").

Measure Two activities (Soft Supports)

Soft supports are provided by LEO Fingal and include Management Development Training, Business Advisory Services and Mentoring, provision of a First Stop Shop Service, Business Networking, Sectoral initiatives (e.g. Food sector supports), International trade initiatives and enterprise promotion initiatives. In addition LEO organises the Student Enterprise Programme, an enterprise learning initiative in Ireland,

with over 22,000 students participating each year, some 2,400 of whom are Fingal-based.

Other funded initiatives include:

- *Ireland's Best Young Entrepreneur* competition (funded by EI)
- *Trading Online Voucher* scheme (Funded by the Department of Communications, Climate Action and the Environment).

ENTERPRISE CENTRES

Fingal County Council has developed and continues to support, three enterprise centres for start-up businesses:

- BASE Enterprise Centre, Mulhuddart, established in 1996 has 30 units
- BEAT Enterprise Centre, Balbriggan, established in 1999 has 20 units
- Drinan Enterprise Centre, Swords, established in 2010 has 35 units

Occupancy rates at the Council's three enterprise centres continue to be high with average occupancy rates at Drinan of 94%, BASE of 91% and Beat of 88%. The three Enterprise Centres currently support 68 businesses and 340 jobs. Combined, the three enterprise centres are operating at near full occupancy, reflecting a buoyant local economy and an ongoing demand for start-up enterprise and incubation space in the county.

BALBRIGGAN SOCIO-ECONOMIC STRATEGY

The Our Balbriggan 2019–2025 Rejuvenation Plan was launched in May 2019. This fully integrated Socio-Economic Strategy is the culmination of a rigorous process involving consultation and input from statutory, non-statutory, business and community groups working and living in the area, expert opinion and learning both nationally and internationally. A key element to the development of the Strategy was an extensive public engagement process, with 4000+ residents engaging with the Council to contribute to the Plan.

The Our Balbriggan 2019–2025 Rejuvenation plan encompasses 93 commitments over 4 Pillars:

- Public Realm
- Growing the Local Economy
- Community Affairs & Integration
- Education, Training & Employment

Fingal County Council will provide leadership on the implementation of these actions over the period of the plan and the 2020 budget makes provision for costs relating to the implementation of the Strategy.

PROMOTION OF TOURISM

Objectives from the Tourism Statement of Strategy and Work Programme for 2017 – 2022 will continue to be progressed in 2020. The programme looks at key tourism enablers; connectivity, skills and key experiences; attractions, business tourism, marketing, events, food tourism and co-operative initiatives with local tourism development groups.

The Dublin Regional Brand Initiative, "*Dublin: Surprising by Nature*" is being supported by the four Dublin Local Authorities, Fáilte Ireland and the tourism business sector. A sum of €83,000 has been provided in the 2020 budget for this campaign. Fingal County Council also continues to support Fingal Tourism Ltd to ensure an integrated approach to the delivery of tourism development in the County.

EVENTS

Fingal County Council's Events Unit continues to deliver high quality public events for local communities and international visitors. The 2020 budget includes funding for directly delivered Fingal County Council events, including the Flavours of Fingal County Show, local festivals and commercial events. Funding will allow for the continuation and expansion of the countywide events programme to its existing high standard.

ALLOTMENTS

The Council continues to provide approximately 900 allotments on sites in Blanchardstown, Donabate, Skerries and Balbriggan. All schemes have car parking, water supply, drainage and good soil.

COMHAIRLE NA NÓG

Comhairle na nÓg is the structure through which children and young people are involved in the implementation of Better Outcomes, Brighter Futures and National Policy Framework for Children and Young People (2014-2020). The theme for Fingal Comhairle na nÓg for 2019/2020 is Healthy Lifestyle and a provision of €30,000 has been included in the 2020 budget to support this work.

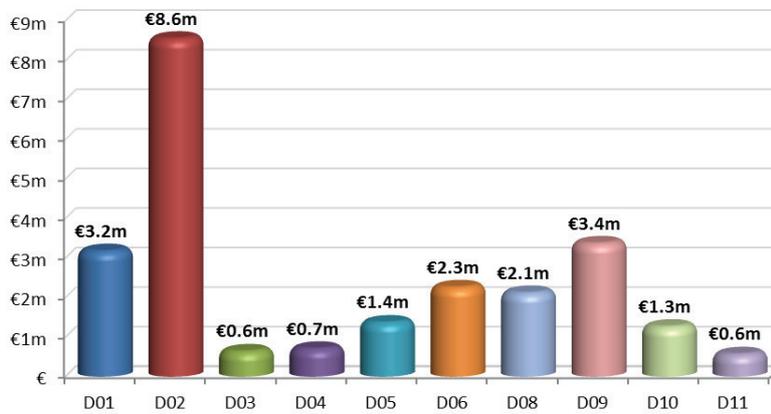

FINGAL PUBLIC PARTICIPATION NETWORK

In 2019 we continued to support the development of the Fingal Public Participation Network (FPPN). The FPPN membership has increased to 810 community groups/organisations. Members have benefitted from the capacity building of 5 Linkage Groups, have nominated 20 new PPN Representatives across the SPCs and JPC and were involved in driving Fingal Inclusion Week and Africa Day. A provision of €46,000 is provided in the 2020 budget.

ENVIRONMENTAL SERVICES

OPERATION, MAINTENANCE AND AFTERCARE OF LANDFILL

This service covers the remediation of Baleally Landfill, the environmental management of Dunsink Landfill, investigation and aftercare of historic landfills and finance charges for the Nevitt Landfill project. Restoration at Baleally Landfill continued in 2019 and will continue through 2020. There are ongoing costs in relation to leachate management, environmental monitoring and infrastructure to facilitate its transition to a public park amenity. There are also charges associated with the provision for environmental liabilities for both Baleally and Dunsink Landfills.

CONTRACT MANAGEMENT OF RECOVERY AND RECYCLING FACILITIES

This service covers contract costs associated with Estuary Recycling Centre and Coolmine Recycling Centre and the operation of the Council's network of Bring Banks.

WASTE TO ENERGY FACILITY

Construction of the Dublin Waste to Energy Facility at Poolbeg commenced in late 2014 and the facility became operational in 2017. The facility has been operating at near full capacity since 2018. This project is a key element of national waste infrastructure designed to meet Ireland's requirements under the EU Landfill Directive.

LITTER ENFORCEMENT

This service covers the enforcement of the Litter Pollution Acts. It also covers information campaigns to raise awareness about litter with schools, businesses and the wider public.

STREET CLEANING

More than 1,300 litter bins are located throughout Fingal. In 2019 solar compactable bins were introduced in Howth. Provision has been included for further solar bins in 2020.

WASTE REGULATION, MONITORING AND ENFORCEMENT

The Waste Enforcement Unit of the Environment Division continues to ensure compliance with Waste Management Regulations. These regulations cover the permitting of waste recovery facilities, monitoring and control of waste movement and producer responsibility obligations, including those for packaging waste, tyres, Waste Electrical and Electronic Equipment (WEEE), batteries and accumulators and End of Life Vehicles (ELV's). To facilitate this task the County of Fingal prepares on an annual basis an RMCEI Plan (Recommended Minimum Criteria for Environmental Inspections) which is an important element of the Environment Division Operational Plan. The RMCEI Plan identifies and prioritises enforcement activities and inspections to ensure compliance with all relevant environmental legislation.

The Waste Enforcement Units work closely with Dublin City Council which is the Waste Enforcement Regional Lead Authority (WERLA) for the Eastern and Midlands Region. The work of the three WERLA's is overseen by a National Steering Committee which coordinates national/regional waste enforcement priorities.

WASTE MANAGEMENT PLANNING

This service covers costs in relation to waste management planning and the operation of the Eastern-Midlands Region Regional office.

MAINTENANCE OF BURIAL GROUNDS

The Council manages 36 burial grounds which will continue to be maintained to a high standard during the coming year. Work is ongoing on the new Kellystown Cemetery. The sum of €350,000 has been made available for burial ground development in Budget 2020.

OPERATION OF FIRE SERVICE & FIRE PREVENTION

The Fire Service for Fingal is provided by Dublin City Council. The full services of Dublin Fire Brigade, including the Ambulance Service, is available to deal with incidents and emergencies in Fingal should the need arise. Fingal's share of the cost of the fire service in 2020 is estimated at € 21.7m.

WATER POLLUTION UNIT

The Water Pollution Unit is responsible for the enforcement of the Local Government (Water Pollution) Acts, investigation of water pollution incidents and monitoring the licensing of trade effluent discharges to open water.

Under the Water Framework Directive, the unit is also responsible for river monitoring, reporting on bathing water quality and farm surveys (under the GAP Regulations). The unit is also responsible for implementing the EPA National Inspection Plan on domestic waste water treatment systems (septic tanks). The Unit works closely with the Local Authorities Water Communities Office (LAWCO), Local Authorities Water Programme Office (LAWPRO) and the EPA in implementation of targeted measures to address water quality issues in sub-catchments prioritised in the 2018-2021 River Basin Management Plan.

AIR QUALITY AND NOISE POLLUTION

The Environment Division assists the Environmental Protection Agency (EPA) by providing monitoring stations, facilities and air monitoring equipment at River Road, Blanchardstown and Watery Lane, Swords. These continuous monitoring stations form part of the National Ambient Air Quality Monitoring Network. They provide near real time data on NO₂, PM₁₀ and O₃ (Ozone). All monitoring results are automatically uploaded onto the EPA website and can be viewed online.

The Air Pollution Act (Marketing, Sale, Distribution and Burning of Specified Fuels) Regulations 2012, designates all of Fingal as a specified area in which smoky coal may not be sold, burnt, distributed or offered for sale. Enforcement of these Regulations in the extended area began in 2013 and will continue into 2020.

AIRCRAFT NOISE COMPETENT AUTHORITY

Fingal County Council has been designated as the Competent Authority for the purposes of aircraft noise by the Aircraft Noise (Dublin Airport) Regulation Act 2019. A new Directorate has been established to carry out the functions under the Act. The Act provides for an Airport Levy in respect of the costs incurred by the competent authority, the airport authority is liable for payment of the levy.

ENVIRONMENTAL AWARENESS

Included here are the costs associated with the Local Agenda 21 programme/Community Environmental Action Fund, Greener Communities, Green Schools Programme and regional environmental awareness campaigns on waste prevention, re-use and recycling, biodiversity and supporting communities in tackling litter, graffiti and waste dumping.

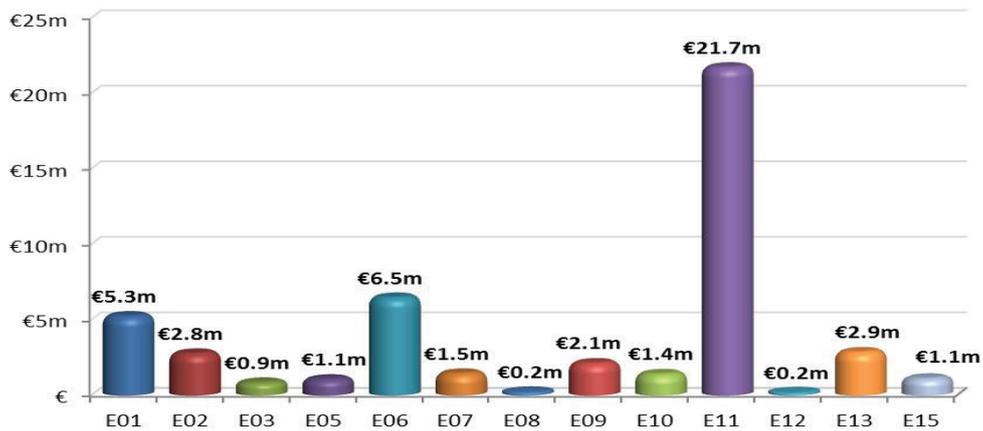

CLIMATE ACTION

This covers costs relating to the co-ordination of actions under the Climate Change Action Plan 2019-2024, and ancillary supports.

Division F RECREATION & AMENITY

LIBRARIES

Approximately 1 million visits are expected to be made to Fingal Libraries in 2020, to access a range of services at our 10 branches, 4 mobile vans and at Local Studies and Archives. Over 1 million items are expected to be borrowed in 2020, although the removal of fines nationally in 2019 and the growing popularity of our electronic resources may have the effect of increasing this figure. In its most recent (2018) Performance Indicators Report, NOAC (National Oversight & Audit Committee) records that Fingal spent €53.08 per head of population on providing library services in 2018. This spend facilitates free access to books and to a wide range of electronic resources, to a programme of activities and events which informs and entertains and to spaces in which people meet, engage, create and learn. The majority of our library service points operate across a 6 day week, with average staffed opening hours of 45 hours per week, which are among the highest in the country. In 2020, the Council will remain committed to delivering core library services free of charge and to providing a safe, neutral and democratic space for the citizens of Fingal.

Fingal Libraries Development Plan 2018-2023, outlines how the service is continuing to develop as a dynamic and inclusive space, supporting culture, recreation, literacy, education and economic development in the County. The Plan identifies 7 key objectives in the areas of Workforce; Capital and Infrastructure; Collections and Resources; Programming of Events and Activities; Technology; Marketing and Communications; and Collaboration and Partnerships, which are being implemented by way of 42 actions over a five year period.

The Council's major capital project, the Swords Civic and Cultural Centre will include a new County Library. This new Library will replace the existing branch in Swords and will be a 21st century centre of learning, culture and recreation, in an open and welcoming space for all the County's citizens. Also, following a successful planning process, work will commence in 2020 on the extension and refurbishment to Skerries Library.

The development of digital learning and meeting spaces in the County's libraries will continue in 2020, following the receipt of a total grant of €525,474 (€475,903 in 2018 and €49,571 in 2019) from the Department of Rural and Community Development (DRCD), to which was added €177,500 by the Council in matched funding. Digital signage and projectors, Tovertafels (electronic magic tables), Hublets (tablets, docking stations and software) and meeting pods were all installed in libraries in Fingal in 2019, with further installations planned for 2020.

We plan and have made provision in the budget to appoint a Creator in Residence for Fingal Libraries in 2020, to assist in the development of maker spaces in libraries and the design of a programme to support community creativity and innovation.

Also, on foot of a €40,350 grant under the Dormant Accounts Fund from the DRCD, Fingal Libraries will extend an Autism Friendly Scheme across its branch network. This

Scheme has been run successfully at Blanchardstown Library on a pilot basis during 2019. Nine libraries across Fingal will implement designated autism-friendly sessions each month, and regularly schedule 'quiet time' and 'relaxed programming' events which cater to people with autism.

The Libraries' Development Plan commits to maintaining and developing a book stock that is current and relevant for our readers and to this end, €800,000 has been allocated to the library book fund for 2020. The Libraries' Department has also recently invested in an electronic evidence-based stock management system to assist staff in managing and developing collections more effectively.

A national book distribution system gives Fingal library members access to approximately 15 million items in over 300 public libraries around the country. Readers can reserve books online or at their local branch library and have them delivered to their nearest library free of charge.

E-services on the Libraries' website including books, newspapers, magazines, comics, language learning and online courses will continue to be made available in 2020. The most recent e-service purchased for library users is Freegal, a free music streaming and downloading service which gives access to over 15+ million songs from 1 million albums in more than 200 genres. It also makes available over 40,000 music videos.

PARKS AND OPEN SPACES

Budget 2020 provides for ongoing maintenance of 5,000 acres (2,000 Ha.) of open spaces, regional parks and sporting facilities as key elements of Fingal's Green Infrastructure. Funding is also included for the continued improvement of playing pitches, playgrounds and sports facilities including pitch and putt courses. A budget of €400,000 has been provided for minor improvement works in parks and open spaces during 2020.

In 2019, in collaboration with Technological University Dublin (TU Dublin) we developed a show garden "Fingal Bee Positive" which demonstrated and promoted practical pollinator friendly Initiatives. This garden won a Gold medal at the annual Bloom Festival in the Phoenix Park. Provision has been made for a 2020 Fingal Bloom Garden entry.

The conservation and improvement of Fingal's Biodiversity including the part of the Dublin Bay Biosphere located in Fingal is provided for, as well as major parks projects such as Bremore Regional Park.

HERITAGE PROPERTIES

The Economic, Enterprise and Tourism Development Department is responsible for the operation, maintenance and continued development of the Council's heritage properties throughout the County. The Department will continue to work collaboratively to maximise the tourism and job creation potential of each property in 2020. In addition, substantial capital investment in the properties is being progressed in 2020 and beyond. All works are being carried out in accordance with the requirements of Conservation Management Planning.

BEACHES

The Council is responsible for the maintenance of beaches and Lifeguard Services in Fingal and this is provided for in Budget 2020.

COMMUNITY, CULTURE & SPORTS DIVISION

The Community, Culture and Sports Division works in partnership with voluntary community groups, agencies and service providers to improve the quality of life for the citizens of Fingal. We support communities through the provision of community, recreation and sports facilities, education programmes, arts programmes, grant funding schemes, support services and advice.

Community Development Office:

The focus of the Community Development Office is to develop strong, engaged, integrated communities across Fingal where people are proud to live, where they have access to a range of social, cultural and development opportunities and where they can input into the local decision making processes.

The Council supports 33 Community Facilities across the County. The Community Development Office has established a forum for Centre Managers and volunteer board/committee members to come together for information sharing and to work collaboratively to promote savings and achieve value for money across all sites. Up to the 30th September 2019, 2.93 million people used the facilities.

The Guide to Best Practice in Community Facilities Management which includes Customer Journey, Community Facility KPI Audit and Policy Templates was launched in 2018 and will continue to be implemented in 2020.

The Community Development Office delivers its community training programmes 'Pathways to Participation Programme' and the 'First Steps Programme' in community facilities across the County. The training programme includes committee skills, community development training and active citizenship. The 2019 Masterclass Programme delivered sessions on Facility Management, Companies Limited by Guarantee, Managing Finance, GDPR Workshops, Display Screen Equipment Assessor Training and Digital Media. The First Steps Programme encourages community engagement in pre-development activities, such as beginners and improver English classes, Fáilte Isteach, healthy cookery and arts and crafts programmes, committee skills and Leader Training for Integration with supports provided to 48 new and emerging groups. The Community Development Office continues to provide advice and supports to 11 Boards of Directors of Community Centres.

These initiatives will continue to be rolled out across all Fingal community facilities to community and voluntary groups during 2020. A provision of €142,000 is included in Budget 2020 for this and other community development programmes. We have allocated €1.8m to assist in the management and operation of the community facilities.

In 2019, 45 groups from across Fingal received summer project funding totalling €61,601 with over 4,000 children participating in the projects. The Activity Funding

Scheme provided €58,422 in financial assistance as of October 2019 to 55 community groups organising activities including environmental enhancement projects, sports activities, publications, local research projects, arts and intercultural activities. In addition funding was allocated to Fingal's Creative Ireland Programme Community Fund to support Community Groups to participate in creative projects/initiatives.

In 2020 a total of €200,000 has been provided in funding for Activity, Summer Projects and Creative Ireland Community Funding Schemes.

Community Centres refurbishment:

A provision has been made over the last number of years to facilitate refurbishment/repair works to a number of the older Fingal County Council Community Centres and this will continue in 2020. A separate fund of €200,000 has been provided in Budget 2020 which also allows us to provide for a capital grants fund to support community centres not in the ownership of the Council.

Fingal County Council's Migrant Integration and Social Cohesion Strategy:

The Community Development Office has developed Fingal County Council's Migrant Integration and Social Cohesion Strategy. This commenced with a consultation process with community groups and service providers between September and December 2018. Three group structures were established to assist in developing the Strategy. Implementation of the action plan will commence at the end of 2019. €100,000 has been provided in Budget 2020.

Anti-Bullying Initiative:

In 2019 the Community Division facilitated the delivery of an anti-bullying initiative in primary schools across Fingal.

Sports Office:

The Sports Office delivers a number of sporting programmes aimed at increasing participation in sports with specific target groups such as children, youth at risk, and disadvantaged groups, teenage girls, women in sport, older adults and people with disabilities.

In 2020, the Sports Conditioning/Sporting Facts programme in primary schools will continue by developing a range of accessible teacher training modules, ongoing assessments and an education/training information website. This new "Healthy Fingal Learning Portal" will hold a range of accessible teacher training plans and videos, coach education and volunteer development training plans, information and training tips.

Safeguarding Children courses will continue to be provided to community sports clubs and other related groups. A number of programmes throughout the County will be delivered focusing on the target groups and working with sports clubs and groups to support their development through coach education and training workshop seminars. A total of €237,500 is provided for these initiatives in 2020.

In addition to the sporting programmes, €420,000 is being made available in 2020 for partnerships with national and local bodies for developing a range of sports within the county.

€120,000 is being provided for Sports Equipment Funding and the Youth Sports (Small) Grants Scheme for eligible sports clubs.

Arts Office:

Fingal County Council actively support and promotes a broad range of arts activity in Fingal, in particular the funding of events and performances.

In 2020 a sum of €150,000 is provided for Arts Grants. These grants support a wide range of cultural activities throughout Fingal, including local annual arts festivals, large musical events, the making of films, school arts weeks and also offer cultural support for those with special needs.

The Council's two Arts Centres, Draíocht in Blanchardstown and the Seamus Ennis Arts Centre in Naul continue to prosper and €710,000 is provided for their continued support in 2020. These arts centres are beacons of culture and centres of excellence for the Arts in Fingal.

€50,000 is included in Budget 2020 for annual events including Spréacha, which is an international children's theatre festival which is produced in co-operation with Draíocht Arts Centre. There is also Amharc Fingal, which translates as 'The Fingal View' and which provides direct support to emerging arts graduates from Fingal.

A sum of €140,000 is being provided for our Youth and Education programmes and €80,000 for exhibitions and seminars which complement the broader role of commissioning public artworks throughout Fingal.

The Artists Support Scheme (bursary scheme) will continue in 2020. The objective of this Scheme is to support individual professional artists from Fingal to develop their artistic practice. The award seeks to provide artists with the time and resources to think, research, reflect and engage with their artistic careers. The funding for 2020 is €100,000.

In October 2019, the Arts office wrote and published the third Fingal County Councils Arts Plan for the period 2019-2025. This strategy sets out a clear and strong commitment to continue to champion arts development in Fingal.

Age Friendly Initiative:

Provision of €38,200 is included in Budget 2020 for the development and implementation of the Fingal Age Friendly Strategy 2018-2023. Fingal County Council will continue to advance the actions of the Strategy in conjunction with its partners (statutory and non-statutory).

Creative Ireland Fingal Programme:

The Creative Ireland Programme is a five year initiative, which places creativity at the centre of public policy. Local Authorities have been tasked in particular with delivering on Pillar 2 of the Programme – *Enabling Creativity in Every Community*. The Fingal Culture & Creativity Strategy 2018–2022, will continue to be implemented in 2020. The implementation of the actions arising from the Strategy will be overseen by the Fingal Culture Team. A provision of €140,100 has been made in the budget for this work.

In accordance with Fingal Remembers – Commemoration Programme 2018-2022, the Council will work in partnership with community groups to commemorate the centenary of the Sack of Balbriggan in 2020.

Our Balbriggan:

We will continue to support the implementation of the Our Balbriggan 2019–2025 Rejuvenation Plan under the Community Affairs & Integration pillar where Fingal County Council is the lead agency or partner agency in the delivery of key actions.

Included in the sports programming budget are special projects for Balbriggan i.e. School Orienteering programmes and youth climbing programme (utilising Balbriggan Community College climbing wall).

We will continue to work to support the implementation of the Our Balbriggan 2019–2025 Rejuvenation Plan under our youth and education arts programme, and through the commissioning of public artworks and supporting local groups through our grants schemes.

The Balbriggan Community/Sports Hub located in the Flemington Community Centre has a dedicated Community Officer and Sports Officer on site. They delivered a range of programmes in the area in 2019 and these will continue in 2020.

Balbriggan Library will continue to support the Our Balbriggan 2019-2025 Rejuvenation Plan in 2020 through enhanced opening hours, the development of a digital meeting and learning space and through an innovative programme of events and activities.

MISCELLANEOUS SERVICES

ADMINISTRATION OF RATES

This service includes the cost of rate collection as well as a provision for a refund of rates on vacant properties and bad debt write offs. It also includes provision for potential losses arising from the Valuation Tribunal as outlined in the financial analysis section. The valuations arrived at in the recently completed revaluation process will become effective from the 1st January, 2020.

In accordance with the provision of Section 31 of the Local Government Act 2014, the Council can, as a reserved function, alter the proportion of rates refunds on vacant premises in local electoral districts.

ELECTORS/VOTERS REGISTRATION

The County Council compiles the Register of Electors each year and publishes it in accordance with the statutory deadlines. There are 191,293 electors on the Draft Register of Electors which was published on 1st November 2019.

An amount of €75,800 has been provided in relation to the voter.ie project that Fingal County Council is undertaking in conjunction with the other three Dublin Local Authorities.

OPERATION OF MORGUE AND CORONER EXPENSES

The City and County Coroner provides the Coroners and Inquests function for all of Dublin on an Agency basis. The cost of the service for 2020 is estimated at €21,500.

MEMBERS EXPENSES

A sum of €27,700 is provided for conferences and training by Elected Members in 2020.

NON PRINCIPAL PRIVATE RESIDENCE (NPPR) CHARGE

Income of €0.7m is provided for in Budget 2020 in respect of recovery of arrears of NPPR charges.

SERVICE SUPPORT COSTS

FINANCING OF COUNCIL OFFICES

A sum of €4.3m has been allocated to financing arrangements for the Blanchardstown offices and County Hall offices.

INFORMATION TECHNOLOGY

The Information Technology Department supports the provision of Council services to citizens, businesses and elected representatives of Fingal through the use of digital technologies.

The Information Technology Department will continue implementation of a Digital Workplace Transformation Programme in 2020. This Programme aims to implement digital office, depot and field working environments. The digitisation of all records will enable improved efficiencies in work processes, improved information governance and security, improved mobile and field working, as well as environmental gains.

The Fingal Digital Strategy is currently being drafted following a consultation process. The Strategy will be finalised before the end of 2019 and focus will move to implementation of Digital Strategy actions.

The following projects are currently underway and will continue in 2020:-

- Fingal Digital Strategy
- On Street Public WiFi
- Office365 Rollout
- Corporate Document and Records Management System
- Planning system upgrade
- Housing system upgrade

The Information Technology Department will continue to manage the maintenance and support of the information technology and communications infrastructure for Fingal County Council including the Council's online services, business systems, server infrastructure, data network and computing devices.

The Council will continue its active participation in the regional Smart Dublin initiative which aims to drive innovation and collaboration in the use of technology to develop new solutions to identified regional challenges.

The Council will also continue to lead on the national Local Government Open Data project which will enable the coordinated and standardised publication of Open Data by Local Authorities.

HUMAN RESOURCES

The Council is continuing to grow and strengthen to meet the challenges and demands in the years ahead. We will continue to implement the Public Service Stability Agreement 2018–2020 and other agreements governing the Local Government Sector.

The Human Resources Department will continue to consult with the Trade Unions and will continue utilising the partnership process "Network Fingal" to implement required workplace efficiencies while maintaining industrial harmony.

TRAINING

The Human Resources Department continues, through the Performance Management and Development System, to ensure that the skills, capabilities and competencies of our employees are continually enhanced and updated so that they continue to carry out their roles in a competent and safe manner in a changing work environment.

OCCUPATIONAL HEALTH & SAFETY

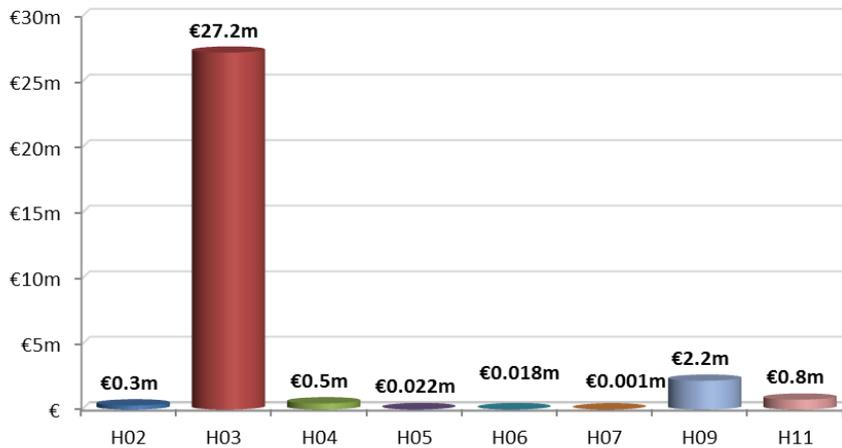

The Health and Safety Unit in addition to carrying out extensive VDU assessments, safety audits and site safety inspections during the course of 2019, has engaged in trials of new protocols pertaining to more in-depth and detailed site safety inspections and incident reporting procedures. These new protocols will be rolled out in the coming year.

After eight successive years of competing at National level and achieving various NISO safety awards including 'Consistent High Achiever' awards, Fingal County Council has in 2019 achieved a 'Higher Distinction' award and a 'Consistent High Achiever' award in the NISO & Northern Ireland Safety Group 28th Annual Occupational Safety Awards.

Total Local Property Tax Allocation (Post Variation)		<hr/> 26,804,400

* The split of the self-funding requirement is based on the Department of Public Expenditure and Reform's classification of current and capital. However, this does not align with local authority treatment in some cases e.g. Private Housing Grants, Land Aggregation Scheme. Accordingly, the Housing Capital LPT allocation includes some elements of self-funding which are classified as revenue in this Budget, the element of LPT for these schemes is not known at this stage. However, the budget has been prepared on the basis that funding for these schemes will be fully funded either through LPT or Central Government funding.
