Royal Canal Urban Greenway

Public Consultation
May – July 2021

Development Description

Fingal County Council in conjunction with the NTA and Waterways Ireland is proposing to develop the **Royal Canal Urban Greenway**, which will provide a safe, high quality, sustainable transport and recreational route serving Castleknock, Blanchardstown, Clonsilla, Coolmine and the wider Dublin 15 area.

The proposed Urban Greenway will encourage recreation while offering an attractive alternative transport choice for school children and commuters, bringing significant environmental, economic and health benefits to the wider community.
