## **ATTACHMENTS**

In support of the responses provided above, please find 1 No. hard copy of the below additional information. 1 no. electronic copy has also been provided.

- Draft - Initial Response to ANCA Request for Further Information, Aecom, June 2021.
- Dublin Airport Economic Impact of Operating Restrictions, Intervistas, June 2021.

## **Conclusion**

We note that the responses referenced above are provided in preliminary form at this time. This is to ensure that any modifications required to be made as a result of the outcomes of other interrelated dependencies can be made without prejudice and as part of daa’s final and complete submission in response to ANCA’s Direction. Should any revisions be made to the documents attached to this letter in subsequent submissions these revisions will be highlighted accordingly.

For the avoidance of doubt, the final submission by daa will include a copy of all information provided to ANCA up to that point in final form.

Further to this, and in the interest of providing a clear outline of the intended submission(s) going forward, we wish to advise ANCA that daa are currently progressing all other responses to ANCA's Direction, with a view to issuing the next and final tranche of information by 24<sup>th</sup> July 2021.

In accordance with Section 34C(3)(b) of the Planning and Development Act 2000 [as amended], copies of this information has been provided to the Planning Authority.

Please feel free to contact the undersigned if you have any queries on the above.

Yours faithfully

Gavin Lawlor
