

New Street Malahide

Public Realm Workshop

Malahide Library, Main Street, Malahide.
Saturday 09 July, 2-5pm

Fingal County Council is excited to announce that an award winning, multi-disciplinary design team has been appointed to design a pedestrianised public realm on New Street.

Dermot Foley Landscape Architects & Connect the Dots will start their work by hosting a design workshop on Saturday, 09 July. We invite you to share with us what you would like to see in the design for a high-quality pedestrianised public space on New Street.

Come along and take part in our short design workshop activities for adults and children and give us your ideas for a New Street which puts people at the heart of Malahide village. Join in from 2-5 pm and stay as long as you like.
