

DRAFT SUSTAINABLE SWORDS STRATEGY

Fingal County Council has published the Draft Sustainable Swords Project. This place-making strategy is focused on the strategic regeneration and compact, sustainable development of Swords. The goal is to increase the resilience of the local economy and to provide for an enhanced, accessible, inclusive, child friendly and healthy urban environment. A vibrant town for all.

Following the completion of two previous rounds of consultation, we now publish the draft Strategy for your comments and observations.

With a view to making consultation events accessible to as many people as possible, Fingal County Council will be holding an online webinar and drop-in information session for the Scheme. The online webinar will take place on 15th September 2022. You can register to attend this event here:
