# New Street Malahide

Stage Two – Public Realm Workshop

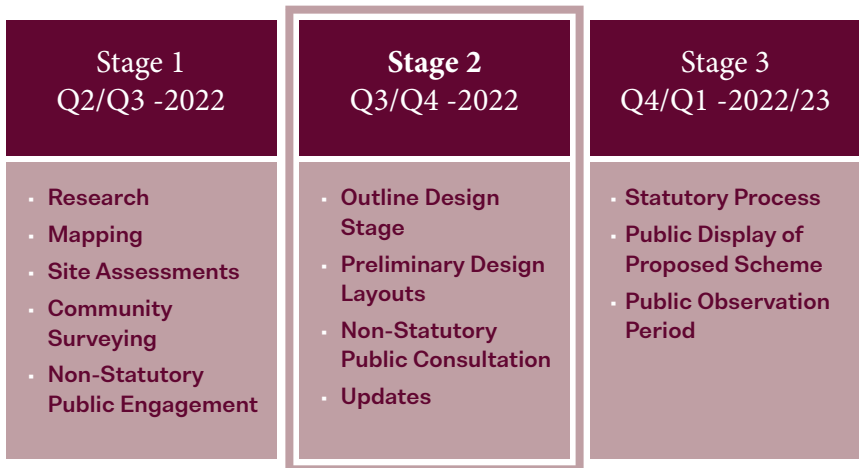

Malahide Library, Main Street, Malahide.  
Saturday, 24 September, 1:45 – 4:45pm

Fingal County Council is excited to announce the development of a preliminary design for a pedestrianised public realm on New Street prepared by Dermot Foley Landscape Architects based on the findings of an initial consultation held in July.

As we continue our work, we would like to invite you to come along and give us your feedback on the preliminary design drawings on Saturday 24 September, 1:45-4:45pm at Malahide Library.

The insights shared with us at the initial workshop and through the online feedback form have been used to form the basis of the new public realm design for the street. This second workshop will be another opportunity for you to further influence the design and take a first look at concepts for a beautiful, green, safe pedestrianised New Street, for everyone to enjoy.

## Project Timeline

### Can't make it?

Share your comments online. Scan this code using your phone camera to visit the New Street website to view the preliminary design and give your feedback.
