

# Halloween Hazards

**The lighting of bonfires is prohibited.  
Don't allow a bonfire on your local open space.**

## Tips On How To Stay Safe:

Never use a bonfire as an opportunity to dump your waste as most household goods can cause poisonous pollutants.

Never light a bonfire near residential or commercial areas & keep away from the cables and pylons.

Bonfires destroy parks, playing pitches trees and flowers. A bonfire should never contain:  
Tyres • Aerosols • Foam Filled Furniture  
Batteries • Bottles • Tins of Paint

Keep your pets indoors out of harms way as this can be frightening & daunting for them.

Motorists should be extra vigilant at Halloween for children crossing roads & moving between parked cars.

In case of an emergency dial 999 or 112 for the Fire Brigade immediately.

This **Halloween** let's keep everyone **Safer** as well as Spooooooky
