Am Scríbhneoireachta

Ceiliúradh ar Chruthaitheacht & Scríbhneoireacht i bhFine Gall

The Write Time

A Celebration of Creativity & Writing in Fingal

The Write Time Festival 2023 is packed with a range of events to inspire you to write, discover the craft of writing short stories, meet published, working authors and explore your options for getting published. We have a fantastic, diverse group of facilitators with most of the events taking place in your local library and some online via zoom. Scan the QR code to view the full programme of events or pick up The Write Time brochure at your nearest Fingal library.

FÉILE ПА STAIRE FHINE GALL

FINGAL FESTIVAL OF HISTORY

Welcome to Fingal's seventh annual Festival of History which will run from Monday 2nd to Thursday 12th October 2023 throughout our library branches and Swords Castle. Scan the QR code to view the full programme of events or pick up the Festival of History brochure at your nearest Fingal library.

Sensory Slime Workshop

with Messy Adventures

Join Messy Adventures to make your very own slime. Each child will experiment with different colours, textures, ingredients and even scents. Making slime is fun as well as an educational science experiment. We will finish the workshop b

educational science experiment. We will finish the workshop by talking about how playing with slime can be used to help us relax. Suitable for ages 7+.

Swords Library	Thursday, 7th September	6:30pm – 7:30pm
Blanchardstown Library	Thursday, 19th October	6:30pm – 7:30pm
Malahide Library	Tuesday, 14th November	3:30pm – 4:30pm

To reserve a space, please contact the library hosting the event.

Sensory Music Workshop

with Musical Tots

Join Karen Donnellan for a sensory friendly, music workshop. This workshop is a fun, developmental, music activity for children, specifically children with additional needs. As music stimulates both hemispheres of the brain,

it can help to promote and encourage communication. There'll be singing, dancing, playing instruments and listening to songs. Suitable for all ages.

Malahide Library	Saturday, 30th September	11:00am – 12:00pm
Blanchardstown Library	Saturday, 4th November	11:00am – 12:00pm
Swords Library	Thursday, 9th November	6:30pm – 7:30pm

To reserve a space, please contact the library hosting the event.

Read & Respond: a Creative Writing Workshop with Rebecca

Together in this four-week workshop we will delve into the world of mythology and legend. Reading tales from Greek and Roman mythology, we will respond creatively by writing our own original stories. No previous experience is required. Suitable for ages 8 – 12 years.

	Thursday, 7th, 14th, 21st, 28th September	4:00pm – 5:00pm
--	--	-----------------

To find out more about this event, email: europedirect@fingalcoco.ie

Christmas Concert December 2023

Europe Direct Blanchardstown will host the annual Christmas Concert featuring seasonal favourites from around Europe. To find out more about this event, email: europedirect@fingalcoco.ie

Creative Art with Prosper Fingal

Earlier this year, Malahide Library continued their Inclusive Creativity partnership with Prosper Fingal.

Prosper Fingal supports adults with an intellectual disability. The workshops gave participants an opportunity to express their creativity and interact with others in a supportive and friendly environment.

Coming into the Autumn months, Malahide Library will continue

these Inclusive Creativity sessions by hosting two art sessions with artist John Carpenter and members of Prosper Fingal. The art created during these workshops will be put on display in the library for Culture Night and the following weeks.

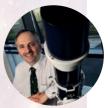

Clár Éire Ildánach

Creative Ireland Programme

#FNGALInclusionWeek

13th - 19th November

Mental Health Podcasts with Psychotherapist Amber Roche

Psychotherapist Amber Roche, linked to the new EU strategy on mental Health will be joining Barry O'Carroll for a series of talks on mental health as part of Fingal's Inclusion Week. Topics will include mental health for people with autism, mental health for parents of children with autism, mental health for adults with ADHD, mental health for migrants/refugees and understanding the therapeutic process. These podcasts are to be released in November. Watch our social media pages for more details.

Show Racism the Red Card

As part of Fingal Inclusion Week, the Immigrant Council of Ireland will facilitate workshops on respect for human and cultural diversity in Balbriggan, Baldoyle, Blanchardstown Libraries. Classes from local schools will be invited along to these workshops.

The intercultural training covers the following topics:

- · Respect of human and cultural diversity
- · Stereotypes and its impact
- · Understanding racism
- The notion of discrimination

It is an interactive workshop where participants will be invited to reflect through group exercises, videos and discussions. The workshop is a safe and non-judgmental platform where attendees are welcomed to share their conclusions and ask questions.

InviteIncludeInvol

This session is for those who have digital design basics and are ready to begin working on their own personal design projects in a supported environment.

Fingal Makerspace, Blanchardstown Library

Monday, 25th September

5:45pm – 7:45pm Adults

To reserve a space, please follow the QR code at the top of the page.

Build Your Own Stereo Speaker

This is a great workshop for those interested in making, electronics and sound / music. During the session you will learn about electronic components, printed circuit boards and how to solder. You will also explore different materials to design and make your own speaker housing. At the end of the second session, you will take away your finished speaker which can be used with a phone or any sound making device using a mini-jack output.

Fingal Makerspace,	Saturday, 30th September,	11:00am – 1:00pm
Blanchardstown Library	7th October	Ages: 13 – 16 years

To reserve a space, please follow the QR code at the top of the page.

An Intro to Music Programming using Sonic Pi

This is a great workshop for those interested in using basic programming concepts to make drum loops and melodies.

During the session you will:

- Understand the basic concepts of music programming and live coding.
- Learn how to use Sonic Pi to create musical sounds, rhythms, and melodies.
- Gain experience with basic programming concepts such as loops and sequencing.
- Develop problem-solving and creativity skills through experimentation and exploration.
- Develop an interest in music technology and its applications in music production and performance.
