

Safe Routes to School

Upcoming improvements at Scoil Choilm Community NS

What is Safe Routes to School?

Safe Routes to School is a programme delivered by Fingal County Council on behalf of An Taisce and Green Schools. The programme encourages children to walk or wheel to school.

Fingal County Council has designed a tailored Safe Routes to School treatment for Scoil Choilm CNS and we plan to begin work in the coming weeks on changes that will make travelling to and from school safer for everyone.

Changes proposed for your school

- Upgrading the Woodbrook to Annfield crossing to a raised zebra crossing.
- Adding two new raised zebra crossings to Diswellstown Road roundabout.
- Adding new traffic islands to three arms of the Diswellstown Road roundabout.
- Adding flexible bollards on both sides of Porterstown Road and pencil bollards outside both school entrances.

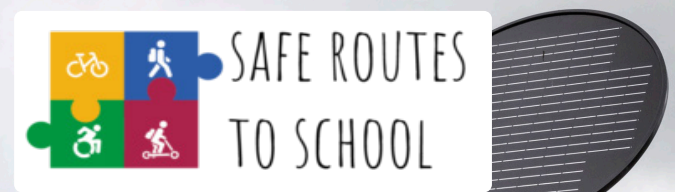

- Tightening the junction of Porterstown Road with Scoil Choilm to make crossing the road safer.
- Extending the footpath at the south/west side of Diswellstown Road junction.
- Adding new protection islands on the four corners of Diswellstown Road to protect cycle lanes.
- Adding new coloured road surfacing on Porterstown Road outside the northern school entrance and just before Diswellstown Road junction.

Together all of these changes will make the school entrance a safer place for children.

The changes will also make the area around the school safer for people of all ages to walk or wheel, as cars will move slower and drivers will be highly aware they are approaching a school entrance.

Your survey responses told us you want safer crossing points, improved footpaths, fewer cars at the school gate and to slow down traffic near the school. This plan delivers the changes your school community wants and needs.

This Active Travel project is delivered by Fingal County Council & funded by the NTA

55% of students walk, cycle or scooter to Scoil Choilm Community NS.

95% of parents say you support better walking and cycling access to the school.

Families love active travel

Children enjoy fresh air at the school gate

Students arrive alert and ready to learn

Travelling independently develops their confidence

Parents and guardians save money on journeys

Busy mornings are easier without traffic congestion

Families enjoy time to talk and play on the way!

Bealaí Sábháilte chun na Scoile

Feabhsuithe atá le teacht ar Pobalscoil Náisiúnta Choilm

Cad is Bealaí Sábháilte chun na Scoile ann?

Is clár é Bealaí Sábháilte chun na Scoile a sholáthraíonn Comhairle Contae Fhine Gall thar ceann An Taisce agus Scoileanna Glasa. Spreagann an clár leanaí chun siúl nó rothaíocht chun na scoile.

Tá cóireáil shaincheaptha do Bhealaí Sábháilte chun na Scoile deartha ag Comhairle Contae Fhine Gall do Phobalscoil Náisiúnta Choilm agus tá sé beartaithe againn tosú ag obair sna seachtainí atá romhainn ar athruithe a fhágfaidh go mbeidh taisteal chuig agus ón scoil níos sábháilte do chách.

Athruithe molta do do scoil

- Uasghrádú a dhéanamh ar chrosaire Sruthán na Coille go Gort Anna go trasrian síogach ardaithe.
- Dhá thrasrian síogach ardaithe nua a chur le timpeallán Bhóthar Diswellstown.
- Oileáin tráchta nua a chur le trí ghéag de thimpeallán Bhóthar Diswellstown.
- Mullaird sholúbtha a chur ar an dá thaobh de Bhóthar Bhaile an Phoirtéaraigh agus mullaird phionsail taobh amuigh den dá bhealach isteach chun na scoile.

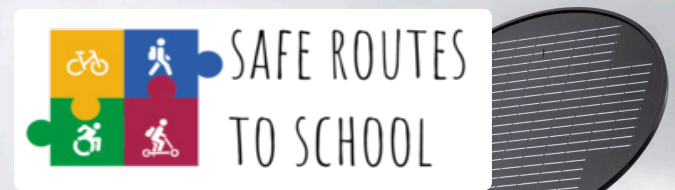

- Acomhal Bhóthar Bhaile an Phoirtéaraigh le Scoil Choilm a dhéanamh níos doichte chun trasnú an bhóthair a dhéanamh níos sábháilte.
- An cosán a shíneadh ar an taobh theas/thiar d'acomhal Bhóthar Diswellstown.
- Oileáin chosanta nua a chur ar cheithre choirnéal Bhóthar Diswellstown chun lánaí rothar a chosaint.
- Dromchla nua daite ar bhóithre a chur ar Bhóthar Bhaile an Phoirtéaraigh lasmuigh de bhealach isteach thuaidh na scoile agus díreach roimh acomhal Bhóthar Diswellstown.

Le chéile beidh na hathruithe seo go léir ina áit níos sábháilte do leanaí.

Déanfaidh na hathruithe freisin an limistéar timpeall na scoile a dhéanamh níos sábháilte do dhaoine de gach aois chun siúl nó rothaíocht, de réir mar a bhogfaidh gluaisteáin níos moille, agus beidh a fhios ag tiománaithe go bhfuil siad ag druidim le bealach isteach scoile.

Dúirt freagraí an tsuirbhé linn gur mhaith leat pointí trasnaithe níos sábháilte, cosáin feabhsaithe, níos lú carranna ag geata na scoile agus moill a chur ar thrácht in aice na scoile. Seachadann an plean seo na hathruithe atá de dhíth ar phobal na scoile.

Soláthraíonn Comhairle Contae Fhine Gall an tionscadal Taistil Gníomhach seo agus tá sé maoinithe ag an ÚNI

55%

de dhaltaí ag siúl, ag rothaíocht nó ag dul ar scútar go Pobalscoil Náisiúnta Choilm.

95%

Deir thuismitheoirí go dtacaíonn siad le rochtain siúil agus rothaíochta níos fearr ar an scoil.

Is breá le teaghlaigh taisteal gníomhach

Baineann na páistí taitneamh as aer úr ag geata na scoile

Bíonn scoláirí airdeallach agus réidh le foghlaim

Forbraíonn taisteal neamhspleách a muintín

Sábhálann thuismitheoirí agus caomhnóirí airgead ar thurais

Is fusa maidin ghnóthach gan brú tráchta

Baineann teaghlaigh taitneamh as am chun caint agus súgradh ar an mbealach!
