

Feltrim Road Active Travel Plan

Non-Statutory Public Engagement #1 Stage 1 – Understanding the area

28th of November 2024

Meet the Team

Fingal County Council Active Travel Unit

- Andrew Nolan, Senior Executive Engineer
- Shane McMorrow, Executive Engineer

Clifton Scannell Emerson Associates Consulting Engineers

- Caroline Butler, Director
- Conor Phillips, Senior Engineer
- Juliana Martao Da Silva, Design Engineer
- Hilary Owens, Design Engineer

Supported by **Landscape Architects, Public Lighting Designers and Environmental Consultants**

Ground Rules

1. This is a public discussion, not a debate.
There are no winners and losers.
2. Everyone is encouraged to participate.
3. No one or two individuals should dominate a discussion.
4. When you speak, please introduce yourself and be brief and as clear as possible.
5. One person speaks at a time.
6. Listen to and respect other points of view.
7. Consider taking notes to help you remember.
8. Do your best to understand the pros and cons of every option.
9. Be Curious!

AT Projects

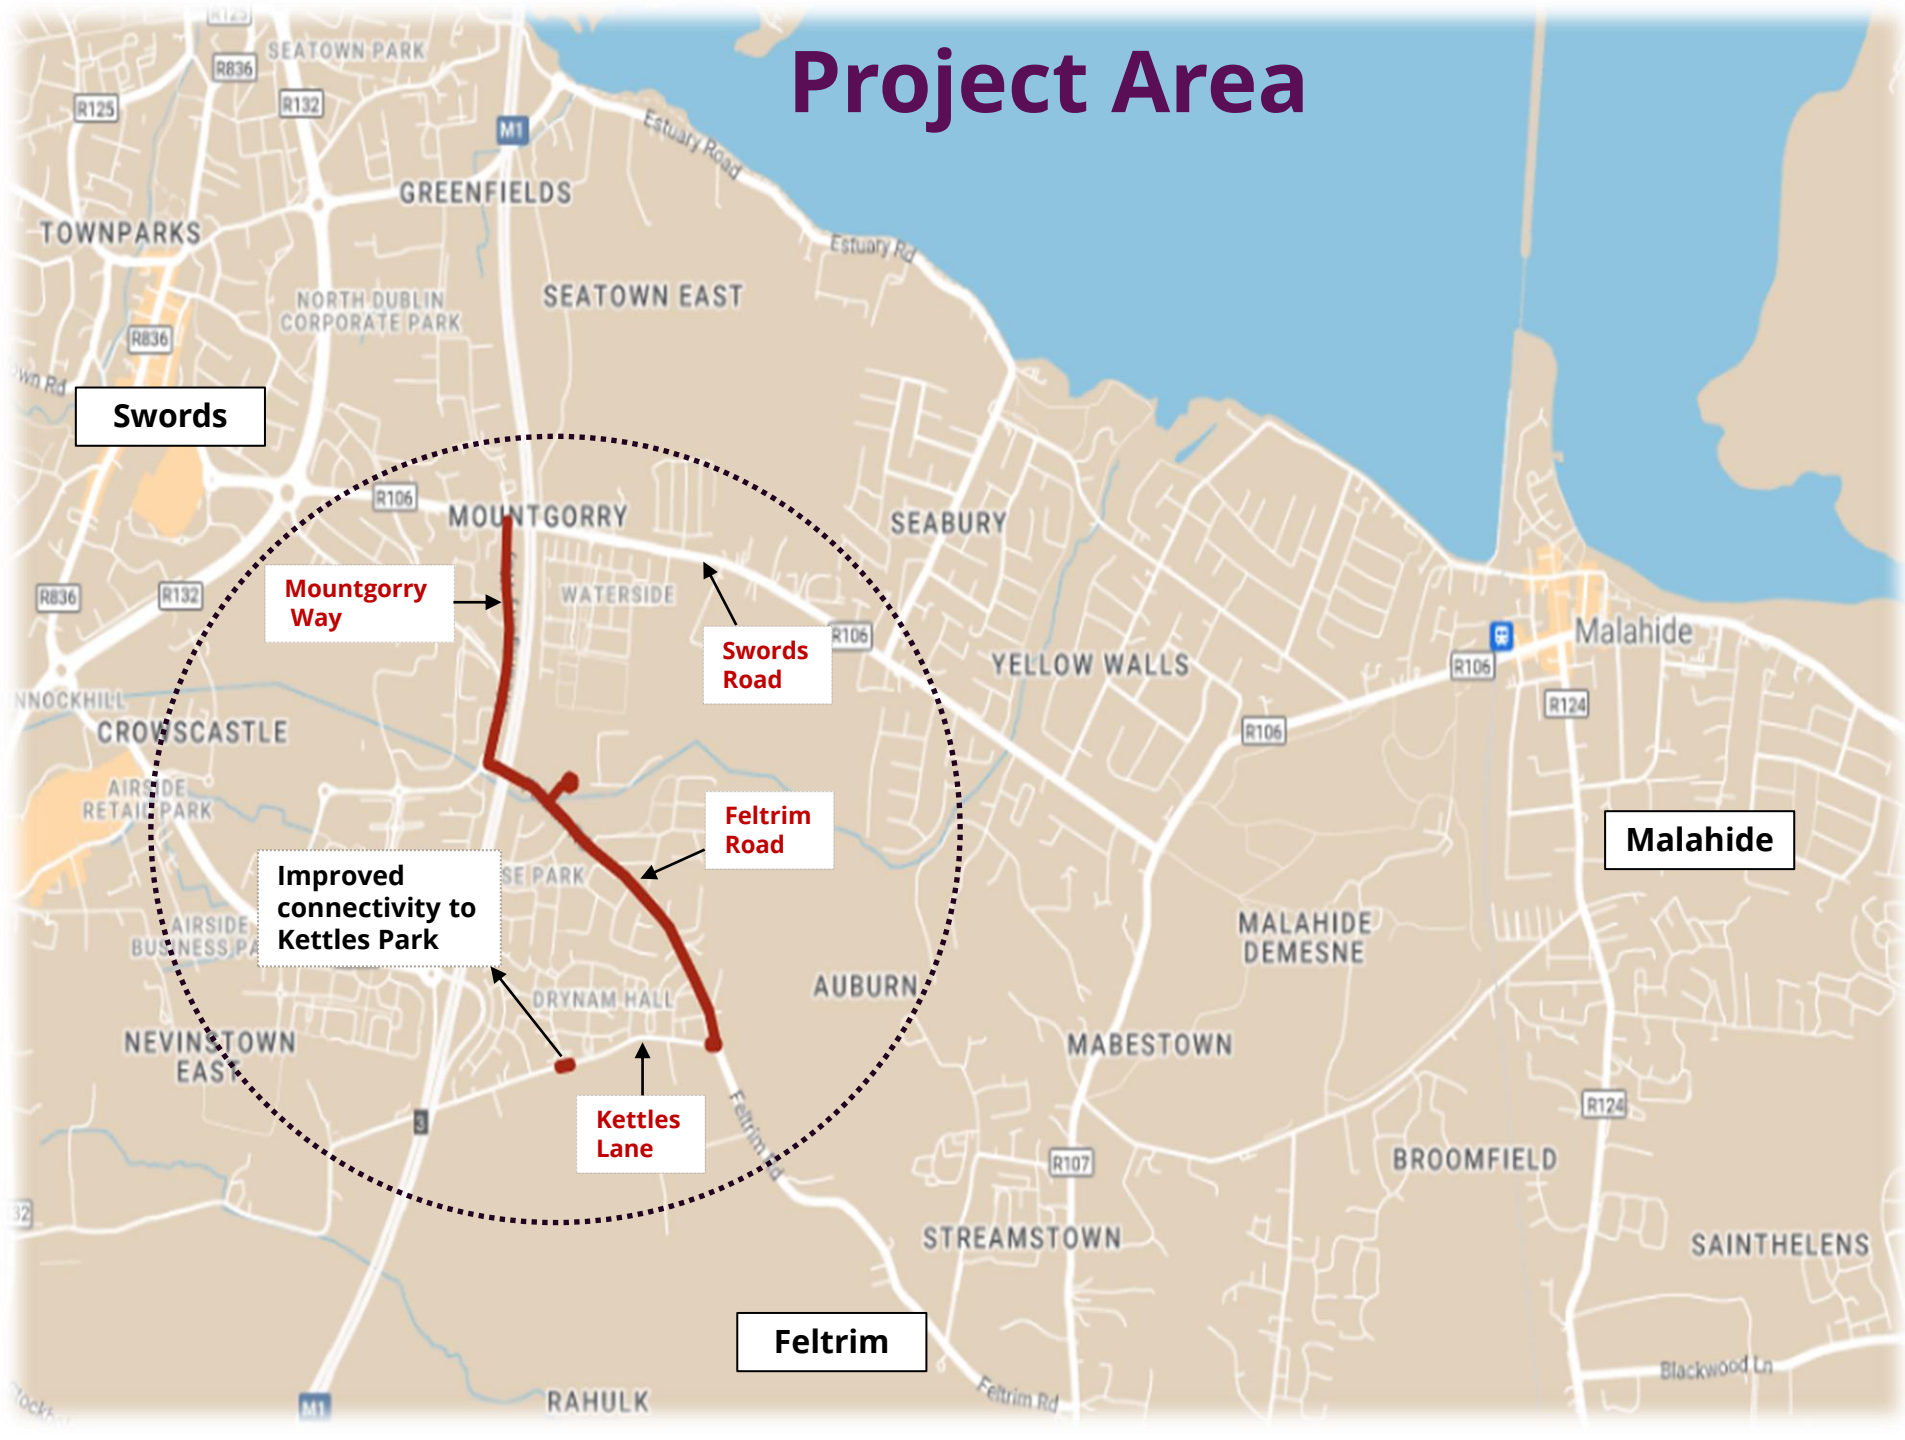

Benefits of Active Travel Measures

WHAT MAKES A GREAT PLACE?

Project Area

Objectives of this project

- Support and encourage members of the public to use active travel modes such as **walking, wheeling, cycling, and scooting**.
- Identify opportunities for placemaking and public realm.

Consider these themes

**Where do you or don't you feel safe on this route?
What contributes to this?**

**What would make it a nicer, more convenient and easier journey?
What issues are you having on this route?**

**Where do you meet up on your walk to school?
Are there any outdoor spots along this route where you enjoy hanging out?**

**What additions or changes would you like to see along this route?
What would entice you to walk, wheel or cycle here?**

Activity 1 – Active Travel Survey

6. What modes of travel do you use for journeys outside of the Mountgorry Way / Feltrim Road area? (Please tick all that apply)

☐ Walk
☐ Cycle
☐ Drive (passenger)
☐ Drive (Driver)
☐ Public Transport
☐ Use Micromobility (e.g. scooter)

7. Which modes of transport do you typically use for different purposes? Choose your primary mode for each purpose.

	Walk / Wheel	Private Bicycle	Bike Sharing	Public Transport	I don't have these trips	Other
Commuting to work / education						
Accompanying children to / from school						
Accompanying other family members						
Grocery Shopping						
Other household errands (other than grocery shopping)						
Going to sport and other leisure activities						
Visiting family and friends locally						
Leisure trips in the daytime (shopping, café, etc.)						
Leisure trips in the evening (dinner, drinks, cinema, etc.)						
Leisure trips with no specific purpose, but to make the trip						
Solely for the purpose of exercise						

2

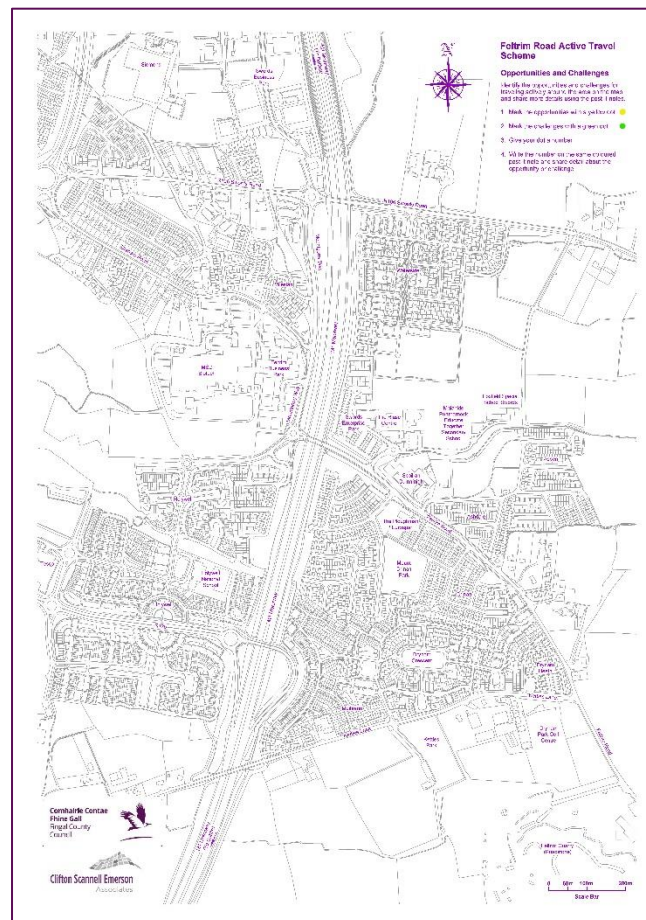

Activity 2 – Opportunities and Challenges

Identify the opportunities and challenges for traveling actively around the area on the map and share more details using the post-it notes.

- Mark the opportunities with a yellow dot ●
- Mark the challenges with a green dot ●
- Give your dot a number
- Write the number on the same coloured post it note and share detail about the opportunity or challenge

Activity 3 – My Perfect Active Travel Route

- What changes would you make to this route?
- What would make this a great place for you to walk, wheel, scoot or cycle around?
- What would encourage you to travel more actively?

Get creative with your response and sketch your ideas!
