Our Commemorative Tree Sponsorship Scheme is available at:
Ardgillan Demesne, Newbridge Demesne and St. Catherine's Park (Lucan).

These schemes provide you with the opportunity to honour the memory of a deceased loved one.

Each tree is assigned a unique number, and a certificate with the name of the person(s) for whom the tree is dedicated to. This certificate will be posted to you.

All trees are planted and cared for by our dedicated Parks Staff.

We do our best to plant tree species that are best suited to the historic landscape in which there are planted.

Trees will be planted in line with the next available planting season and availability will be dependent on this.

To maintain the integrity of the Commemorative Tree Sponsorship Scheme the following terms and conditions apply:

1. Trees can only be dedicated to deceased residents of the Fingal area in which the Regional Park is located.
2. A digital record of sponsorship details will be maintained and available on the Fingal County Council website and will include the name of the person(s) the dedication is for, and the name of the sponsor(s).
3. The sponsorship fee for the tree is €100. This is a contribution towards the cost of the supply and planting of the tree.
Fingal County Council will cover the replacement cost if the tree fails to take root.
4. Applicants will be contacted at a later date for payment.
5. Each tree will have a unique ID number tag supplied and affixed by the Council. These brass tags cannot be personalized or changed, and no additional fixings can be added by the applicants.
6. Plaques on or at the base of trees will be removed.
7. Flowers, displays or any personal items will not be permitted even on a temporary basis, and will be removed.

Please Note:

Information provided will only be used for creating your certificate and maintenance of records.
