- Ongoing pedestrian diversion from the east side of Main Street through County Hall grounds.
- Ongoing protection of trees and monitoring of tree health
- Ongoing suspension of southbound Traffic from North Street through onto Main Street. Diversion routes remain in place.
- Continuing works on North Street to include removing existing footpaths and kerbs, installing new ducting and foundations for kerbs and footpaths; install new kerbs and paving along the west side of North Street; kerbing works, excavation of existing road and pouring a new foundation slab and laying paved road surface on east side of North Street
- Traffic on North Street will be channelled from the east lane into the west lane outside the court house so works can commence on the east side of North Street. To facilitate this six parking bays on the west side of North Street will be suspended for 5 weeks from Monday 21st of September. There will be slight alterations to the pedestrian routes in this area, while maintaining pedestrian access to all premises on North Street .
- Tree Trimming works will take place in the FCC Grounds
