GLAS CIVIL ENGINEERING LTD.

DUGGAN

Current Works:

- Ongoing pedestrian diversion from the east side of Main Street through County Hall grounds to North Street.
- Ongoing protection of trees and monitoring of tree health
- Ongoing suspension of southbound Traffic from North Street through onto Main Street. Diversion routes remain in place.
- Continuing works on North Street to include installing new ducting, kerbs and footpaths. Excavation of existing road, pouring of a foundation slab and laying a new paved road surface on North Street as shown in the attached map
- Traffic on North Street will continue to be channelled from the east lane into the west lane outside the court house so works can continue on the east side of North Street. To facilitate this four parking bays on the west side of North Street will be continue to be suspended while maintaining pedestrian access to all premises on North Street .
- The traffic route will change again in the next two week period. Traffic will remain north bound only but will run in the East lane only and will not be chicaned until the end of the works
- Delivery Exit route from the back of County Hall will be closed from Monday 19th of October. Alternative pedestrian and vehicle layouts will be in place from Monday 19th.
- Works have commenced on Sea town road and will run until February 2027. These works will not affect any traffic or businesses
